SKILLS

HTML, CSS

Python

JavaScript

React Native, Expo

React, Redux, Tailwind

Django

SQL Databases

Linux, Bash, Git

Graphic Design, Figma

TypeScript, NextJS

I am a coder at the beginning of her career. I have spent many years learning different frameworks of both Python and JavaScript. In these years I have noticed that by utilizing my logical thinking refined through studying mathematics and my intrinsic curiosity, I can easily learn any framework while implementing the project and find the solution to any problem that arises. If you are looking for a motivated and determined employee, contact me.
